WHY DEBONAIR

Since **Debonair Languages** was **created in 2008**, we have provided translation and interpretation for the public and private legal sector offering more than **200 languages** thanks to **more than 2,000 linguists** based all over the UK.

We are **specialised in rare languages** so we will find you a linguist in most cases.

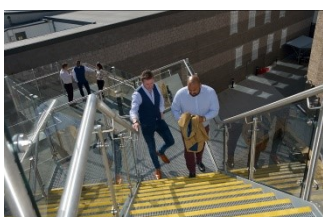

CODE OF CONDUCT & DBS

Debonair Languages' linguists follow our **code of conduct** to remain accurate, impartial, and ethical when carrying interpreting assignments. Our interpreters are experts not only in the spoken word but also with the cultural issues, expressions required for each assignment.

We only select **DBS certified linguists** to be assigned to legal matters.

TRANSLATION

Debonair Languages . We translate **all specialisms of law** such as: insurance, employment, civil, criminal and commercial law. We understand the importance of **accuracy** and the **sensitive nature** required when translating **legal documents** for use in litigation, criminal proceedings and arbitration.

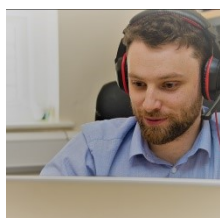

Our linguists translate **only into their mother tongue** and they are trained and experienced in the legal sector.

MOJ EXPERIENCE

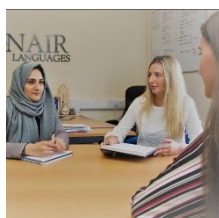

Debonair Languages have been working with the **Ministry of Justice** for many years and we have experienced linguists in legal matters.

We work with **UK Courts of Justice** all over the country interpreting or translation on behalf of Solicitors, companies or individuals.
