WHY DEBONAIR

Since [Debonair Languages](#) was **created in 2008**, we have provided translation and interpretation for the public and private legal sector offering more than **200 languages** thanks to **more than 2,000 linguists** based all over the UK.

We are **specialised in rare languages** so we will find you a linguist in most cases.

Accurate translation and interpretation in the medical sector can save a life and [Debonair Languages](#) are committed to continuously support individuals so they can **communicate with specialists** who can then them adequately.

HEALTHCARE INTERPRETATION

[Debonair Languages](#)' interpreters work in hospitals, physician's offices, clinics, rehabilitation facilities, nursing homes and mental health clinics. Our interpreters translate such information as the reason for **a medical visit, past medical history and family medical history**, as well as explaining medical and surgical procedures, giving medical care instructions, providing drug information and scheduling follow-up appointments.

Our interpreters take into account all **ethnic, belief and cultural background** between a professional and patient so they can really support the client to get the help they need in the best conditions.

HEALTHCARE TRANSLATION

[Debonair Languages](#)'s linguists work on all sort of **medical documents** that require medical translations, for example :

- ⇒ medical reports
- ⇒ case reports
- ⇒ medical consent forms
- ⇒ clinical trial reports,
- ⇒ marketing & advertisement pieces etc..

CODE OF CONDUCT

[Debonair Languages](#)' linguists follow our **code of conduct** to remain accurate, impartial, and ethical when carrying interpreting assignments.

Confidentiality; we request them to sign an **NDA agreement** referring to all confidential information they will encounter whilst working with us, both internally and externally

We also carefully select our linguists according and not only to their **qualifications and experiences**.
